Mr. James Mayer
409 W 4500 S
Milford, Ut 84751-0131

Dear Jim:

Last year, we met with the Milford Distribution Committee after the annual meeting to discuss several of the distribution issues in the Milford area. The committee decided that a similar meeting would be helpful before the 1995 annual meeting. I talked with Jim Mayer yesterday and we set the meeting for December 12 at 2:30 p.m. at Jim's home.

We will be discussing the commissioner's report, water measurement in general but particularly the pitot tube measurements, suggestions for the coming year, and other topics of concern to the water users.

Your input will be very important so we hope that you will be able to attend the meeting. If you have any questions or cannot meet on the 12th please contact me.

Sincerely,

Lee H. Sim, P.E.
Assistant State Engineer
for Distribution
